

Friday 5th July 2024

Dear parents and carers,

We have had a week of excitement here at The Grove as we welcomed back familiar faces with our Y12 induction, followed by a fantastic Prom over at Tern Hill Hall. The students all looked fantastic and rounded off a really fitting end to their key stage four studies. On Thursday, we held a mini celebration for our Year 7's on the front lawn who graduated following a brilliant first year as part of our team! Wednesday evening saw a wonderful Summer Concert, showcasing the talent from across Market Drayton schools as we welcomed Market Drayton Infant and Junior School, Longlands Primary and had special performances from all year groups here at The Grove. A truly magical night!

I have continued to show members of the community around this week, all who have visited have been very complimentary about our students and we are continually looking for ways in which we can build lasting partnerships between The Grove and the wider community.

Wishing you all a fantastic weekend,

Mr Mitchell Allsopp
Headteacher

REMINDERS & NOTICES

Creativity In Y7 English

Year 7 English are showcasing their creativity while studying the Greek Myths. They have created masks of Medusa as part of exploring the theme of duality in the 'Myth of Perseus and the Gorgons'. They all look amazing!

Football

A few of our students have had major success stories within football this week:

Olivia Day- Year 8 has been offered a new contract with Wolves

Maisie Lewis- Year 8 has signed for Manchester United Ladies U14

Charlie Gallett- Year 9 has had a new contract for Stoke City. What an achievement!

New Sixth Form Centre

This week, Sixth Form students moved into our newly furnished Sixth Form Centre. Students have been helping to build furniture and design the spaces over the past few months developing key life skills.

The Sixth Form has been designed with students in mind and with student voice being actioned. Students now have a larger social space as well as more bespoke study areas. We are really excited about the new space and seeing how it will be developed further. Anyone who would like more information please contact Nicola Warrender-Dodds via email: nicola.warrender@gro.mmat.co.uk

Festival Drayton Project

Year 7 students are currently working on a project set by Festival Drayton to produce some paintings for a piano recital by Nikita Likinov. He will be performing at Festival Drayton in November and hopefully the students work will be displayed along side this. Nikita has recently added 'Pictures at an Exhibition' to his repertoire and the students have been listening to his music and looked at the paintings for inspiration whilst producing their own work.

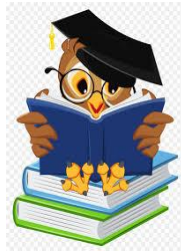

HPV Vaccinations

A note for all Year 8 parents, the date has been changed for the vaccinations to the 17th July. Please make sure your child's consent has been submitted.

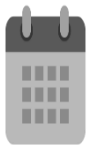

Year 7 Graduation Event

On Thursday we held our annual Year 7 graduation event. We are so proud of all our Year 7s they have had an amazing first year and we look forward to seeing them progress into Year 8. Well done all!
