

Dear parents and carers,

It would be unfair for me not to dedicate this week's newsletter solely to our fantastic school production of 'Matilda'! The show was the first school production in over 12 years and acts as an incredible milestone on our journey to being a truly great school. Over several weeks and months, the cast and crew, supported by wonderful members of staff across Team Grove, have worked tirelessly to create the show. Over the run, the cast have performed to over 700 people, including parents, current and former students, members of our community and many of our local primary schools. It was incredible to see our community coming out in force to support Team Grove. Our students, your children, were amazing – comments around them being better than the West End are not underestimated. We know that the transformation of our culture has really helped us to produce such memorable nights. Thank you for supporting our journey – I am sure you will thoroughly enjoy looking through the photos below!

Have a wonderful weekend (and to our cast and crew, have a really big rest!)

Thank you to all who came to support!
