

'Future Me' Case Study

Year 10 Staffordshire University Taster Day - Wednesday 7th May, 2025

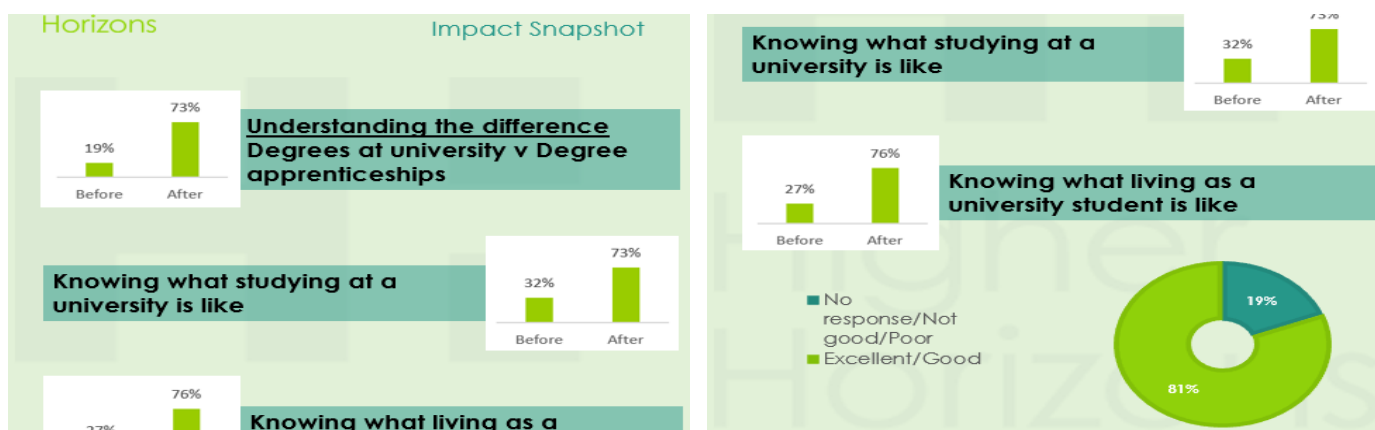

Outline of the Event

During a campus visit to Staffordshire University, students had the opportunity to learn more about university life, including subject-specific taster activities (including forensics, engineering and blackout poetry), a campus tour and a Q&A with current students.

Gatsby Benchmarks: 1, 3, 4 & 7

Feedback (Students)

What worked well in this encounter?

'I have learnt a lot about university and I would definitely consider it as an option now.'

'The forensics workshop was brilliant.'

'It made me think about what grades I will need to go to university.'

'Future Me' Case Study

'I really enjoyed it, loads to see and learn.'

How could this event be even better?

'More variety of employers, especially tech industries & engineering.'

'Wish there had been more employers.'
