

Dear parent and carers,

It has been another fantastic week here at Team Grove. Last night saw the Year 9 students and their parents, who are at an important moment of their seven-year journey with us, begin to consider what they would like to study for their GCSE options. It's always a great evening, with staff sharing the details around each subject and inspiring what future pathways and careers could look like.

In our next consultation, we would like to hear your thoughts on a SEND Resource Hub being developed on site here at The Grove. The Resource Hub would provide much needed specialist provision for children who require it, and we would like to hear your thoughts on how this could be developed to serve our community best. The consultation is open for around a month, and will also be shared with local residents, other local schools and community members so that we get a wide and comprehensive view from all corners of our community.

Wishing you all a fantastic weekend,

*Mr Mitchell Allsopp*  
**Headteacher**

## REMINDERS & NOTICES

### New Resource Hub

We are proposing to open a small Resourced Provision (RP) from January 2027 to support up to 15 pupils in Years 7–11 with Social, Emotional and Mental Health (SEMH) needs and/or Communication and Interaction needs. We are seeking your views as part of this consultation process. All responses will be considered before any final decision is made.

### Higher Horizon

On Wednesday, we saw the final session of the Higher Horizon Unifacts Inform programme with Year 9. The programme aims to help learners make informed choices about their future. In the three sessions students learnt about the benefits of further and higher education. Common misconceptions were challenged, making sure every learner has the information to make an informed choice about their future.

### School Production

We are proud to announce that our school production 'Oliver Jr', will be performed on Wednesday 18<sup>th</sup> and Thursday 19<sup>th</sup> March.

The cast have been working really hard since the beginning of the year and cannot wait to show off their amazing talents. More details on how to book tickets, to follow after half term.
