

Dear parents and carers,

In what has been another really warm week we haven't slowed down here at Team Grove. Our Y8s have begun their visit to the Birks; whilst those not enjoying our home from home in the Lake District, participated in an exceptional model UN COP around climate change. Our ONEvoice team, were fantastic yesterday as they presented the project they have been working on, at Shrewsbury School. The week began with over 180 Y5 students coming to experience being a member of team Grove for the day. On top of all of this, our brilliant Y10 students have completed their work experience placements. Phew! Thank you for your continued support with uniform adaptations as we review the weather on a daily basis.

I would also like to thank our brilliant Parent Partnership Group, who organised the amazing summer fair, last Friday and still found the energy to host a summer disco, yesterday, for our younger students. They are a fantastic representative of our families and wider community.

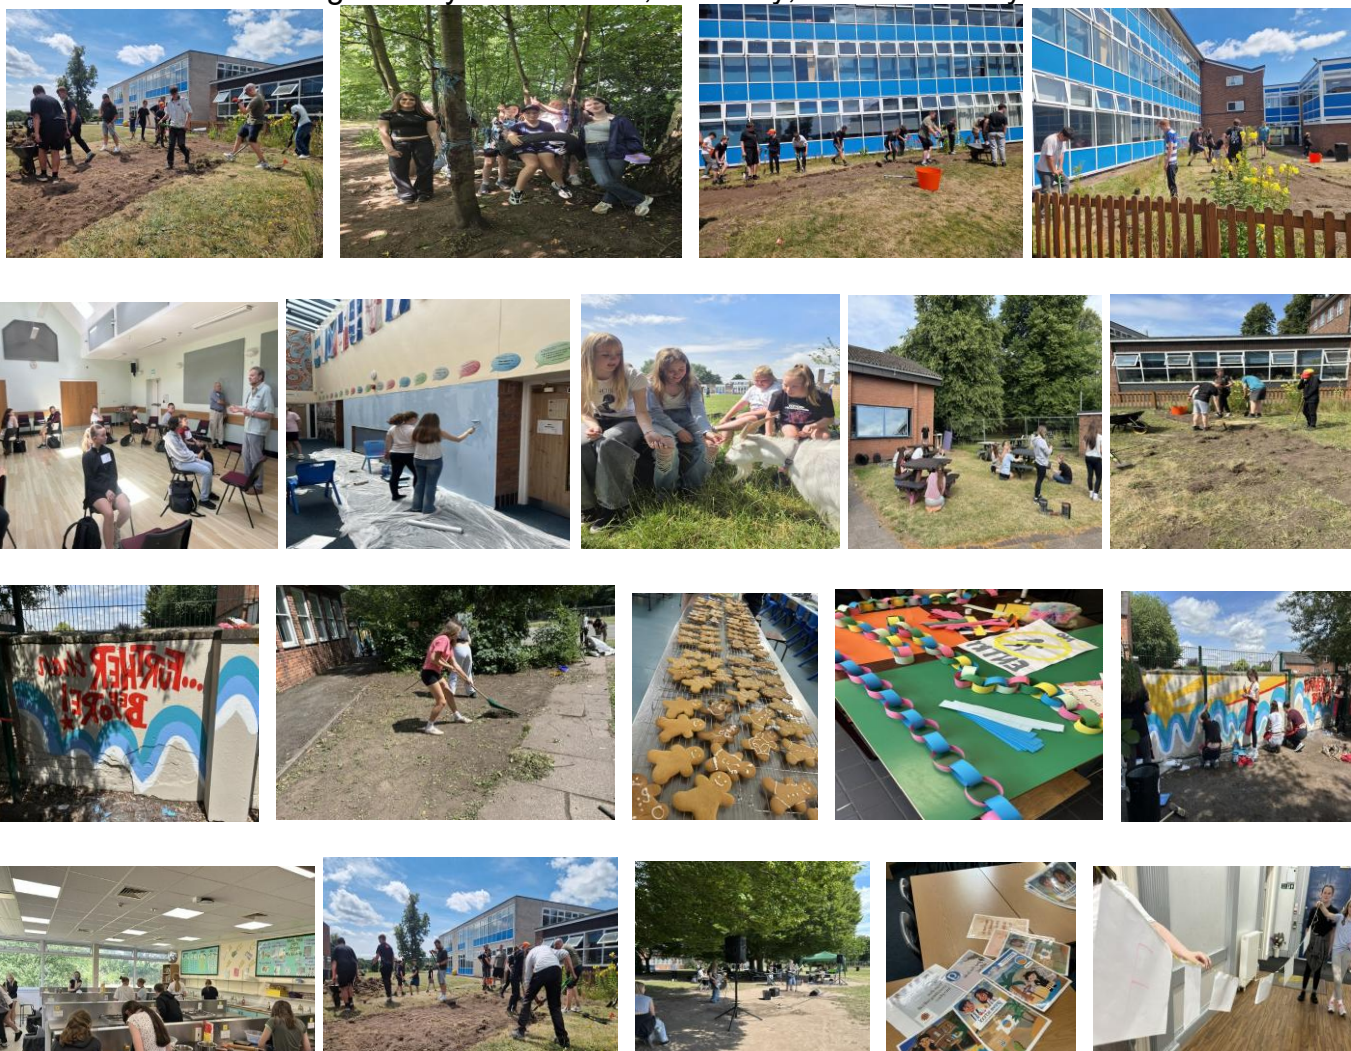

Wishing you a fantastic weekend,

Mr Mitchell Allsopp
Headteacher

Community Day 2026

Students enjoyed a fantastic Community Day, last Friday. They took part in activities including bench painting, visiting a local care home, garden work, marketing projects, the Shore Mural, and Summer Fair preparations. They also represented Grove at the Student Roundtable at the Festival Centre. A great day of teamwork, creativity, and community involvement!

Young Enterprise

Last week, sixty of our Year 9 and 10 students were involved in a "Learn to Earn" day, led by Shropshire Young Enterprise, in conjunction with Leek Building Society. Students were introduced to the world of personal finance, and were introduced to concepts such as taxation, personal budgeting, loans, interest, investing and saving. The students will now be able to apply those skills in life outside of school and beyond.

Summer Fair

Following our community Day, we held our 60th Anniversary celebration event 'Grove-Fest'. It was a wonderful summer fair with hundreds of students, parents and local community members enjoying the entertainment. Thank you to all that came along to support.

UPCOMING EVENTS

16 July	Presentation Evening
20 July	Sports Day
21 July	Grove Rep Show- "Animal Farm"
