

Dear parents and carers,

It has been another amazing week at Team Grove.

Last night, saw us come together to celebrate many students who had achieved excellence in their studies this year. It was a fantastic night of celebration and reflection. Congratulations to all of our award winners!

As we draw towards the end of another academic year, I wanted to thank you for all of your support and will write a detailed letter next week with all of the information for September. Thank you once again for your support with adapting the uniform in this unusually sustained hot weather period.

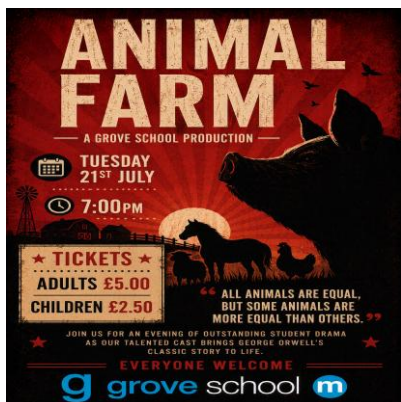

Wishing you a fantastic weekend,

Mr Mitchell Allsopp
Headteacher

REMINDERS & NOTICES

School Show July 2026

A reminder that we have the performance of 'Animal Farm' on Tuesday at 7pm. The students have been working hard and would love for you to come along and support. Tickets can be purchased from reception.

Lost Property Reminder

Lost property will be available for students to look through under the canopy during the last week of term. Please encourage your child to check for any missing items before the summer holidays, as any unclaimed property will be disposed of or donated to charity.

Year 10 Triple Biology

Year 10 Triple Biology students took part in an eye dissection this week, giving them a fascinating hands-on insight into the structure of the eye. As you can see from the photographs below, the students experienced a very memorable lesson!

Model United Nations Climate Summit

Last week, Y8 students took part in a Model United Nations Climate Summit, researching countries, exploring climate change issues, and creating speeches and infographics to represent their assigned nations. Ambassadors were then selected to present at the final summit.

The quality of the research, creativity and public speaking was outstanding, and students were a real credit to the school. We were also delighted to welcome Tim Manton, Mayor of Market Drayton, and John Hargreaves from the Climate Action Group, who helped bring the event to a successful close. Congratulations to all involved!

Year 8 Residential – The Birks Adventure Centre

Our Year 8 students recently enjoyed an exciting four-day residential at The Birks Adventure Centre, taking part in a range of outdoor activities designed to challenge and inspire them. Highlights included gorge walking through rivers and rocky terrain, as well as climbing, where students pushed themselves to new heights and developed their confidence. Throughout the trip, students demonstrated excellent teamwork, resilience and determination, supporting one another as they tackled new challenges. The residential was a fantastic opportunity for students to develop independence, build friendships and create lasting memories. We are incredibly proud of how they represented Team Grove throughout the experience.

UPCOMING EVENTS

22 July	Sports Day & Belonging Day
21 July	Grove Rep Show- "Animal Farm"
23 July	Last Day of Term
1 Sept	PD Day
