

National Apprenticeship Week is taking place from Monday 8th to Sunday 14th February with the aim of raising awareness of apprenticeships.

This is your chance to explore the varying levels of qualifications and the industries you can work in.

Be curious. Even if you know for sure that university is the path for you, just take a look.

You never know what you may discover.

MONDAY

Open to all

Please take a look at these interviews from UCAS, The Financial Times and Amazing Apprenticeships which will provide you with a good overview of degree apprenticeships and how they compare with a traditional university degree.
